

PTZOptics

Small Universal Ceiling Mount

Model Number:

PT-CM-1-BK / PT-CM-1-WH

Mounts directly to ceiling with supplied hardware.

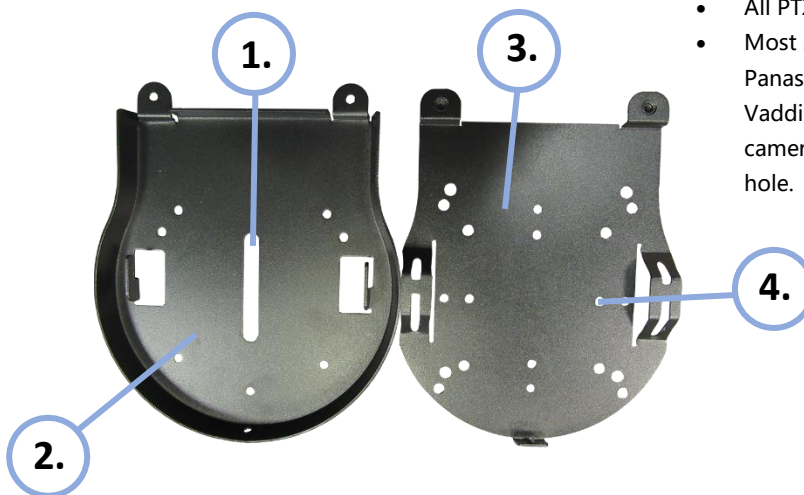

Also mounts directly to:

- U.S. Single gang device box
- U.S. 4" square, round, or octagonal junction box
- European single gang box (any with 60mm hole pattern)
- Universally compatible with any camera with 1/4-20 mounting interface
- Mounting hardware included

This Universal Ceiling Mount was designed specifically as an ideal way to ceiling mount PTZ cameras. Constructed from heavy gauge steel, this mount comes with a 3-year manufacturer warranty.

Compatibility

- All PTZOptics Cameras
- Most small based SONY, Panasonic, Cisco, Polycom, Vaddio, HuddleCamHD, or other camera with a 1/4-20 mounting hole.

1. Slot for 1/4-20

Secures camera to mount
